

## OTP — MT4 手机交易专用（安卓 Android 版本）

当操作账户时，使用 OTP（一次性密码）提供附加的安全级别。每次连接账户时，用户被要求输入一个独一无二的一次性密码。

### 如何在安卓设备上使用 OTP 登入 MT4 手机版

输入 MT4 帐户号码后点击储存，然后再点击解锁账户登入。假如想切换账户，请点击重设账户。

輸入手機收到的 6 位數字 SMS 驗證碼，然後按解鎖。當顯示解鎖成功後可以切換至 MT4 手機版進行正常登入程序。如客戶未能於 5 分鐘內登入，請按返回再次進行解鎖。

This screenshot shows the initial unlock screen. At the top, there is a blue header with the text 'Guotai MT4 Unlock'. Below the header, on the left, is a grey button labeled '取消' (Cancel). On the right, the MT4 account number 'MT4帳戶:1088889497' is displayed. The main instruction '請輸入SMS解鎖驗證碼:' (Please enter the 6-digit SMS unlock code) is centered. Below the instruction is a horizontal line for text input. At the bottom, there is a numeric keypad with buttons for digits 1-9, 0, and a '後退' (Back) button. The '解鎖' (Unlock) button at the bottom right is circled in red.

This screenshot shows the same screen as the previous one, but after successful verification. The text '驗證成功' (Verification successful) is displayed in a large, light grey font in the center of the screen, replacing the input line. The rest of the interface, including the header, account number, and keypad, remains the same.
