

Important Information:

- The purchase of a Share in Guotai Junan HKD Money Market Fund (the "Sub-Fund") is not the same as placing funds on deposit with a bank or deposit-taking company. The Sub-Fund does not guarantee repayment of principal and the Manager has no obligation to redeem the Shares at the offer value. The Sub-Fund does not have a constant NAV. The Sub-Fund is not subject to the supervision of the Hong Kong Monetary Authority.
- Investment in money market and fixed income instruments is subject to interest rate risk, credit risk, counterparty risk, liquidity risk, and other relevant risks.
- The Sub-Fund invests primarily in HK Dollar instruments and subject to higher level of concentration risks than a fund investing in a more diversified portfolio/strategy.
- You should not base on this material alone to make investment decision. Please read the offering documents of the Sub-Fund carefully for fund details, including the risk factors involved, before making any investment decision.

Investment Objective

The Sub-Fund's objective is to invest in short term deposits and high quality money market investments. The Sub-Fund seeks to achieve a return in HKD in line with prevailing money market rate.

Investment Strategy

The Sub-Fund seeks to achieve its investment objective by investing primarily (i.e. not less than 70% of its NAV) in HKD-denominated short-term deposits and high quality money market instruments issued by governments, quasi-governments, international organisations, financial institutions and corporations. The Sub-Fund may invest up to 30% of its NAV in non HKD denominated short-term deposits and high quality money market instruments.
