

GTJAI Won the “Professional Wealth Management Award” by 2024 Professional Financial Institution Service Awards

2024/07/26

[26 July 2024, Hong Kong] Guotai Junan International Holdings Limited (“Guotai Junan International,” the “Company” or “GTJAI,” stock code: 1788.HK) announced that the Company has won the “Professional Wealth Management Award” in the “Professional Financial Institution Service Awards 2024”, jointly organized by *Hong Kong Commercial Daily*, *Economic Herald*, and *Global Commercial Newspapers Union*. This accolade further recognizes the Company’s outstanding wealth management service capabilities in the industry.

Mr. Lam Kin Kwok, Head of Wealth Management Department at GTJAI (on the right), represented the Company at the award ceremony and received the award.

GTJAI has been deeply involved in the Guangdong-Hong Kong-Macao region and is a

pioneer in wealth management services among Hong Kong's Chinese-funded securities firms, ranking in the first tier. The Company's wealth management business is centered around personalized services, offering a variety of investment products and services to clients based on a thorough understanding of their needs and risk tolerance. Products and services include stock brokerage and consulting, bonds and fixed-income products, funds and structured products, as well as margin trading, earning the trust of a diverse client base including family offices, listed companies, enterprises, high-net-worth individuals, and retail customers. Additionally, the Company has launched Junhong Global APP, which has significantly enhanced the trading experience for clients. This award highlights the Company's outstanding performance and professional capabilities in the field of wealth management, reflecting its excellent brand influence and reputation in the global capital market.

As a leading comprehensive financial service provider in the industry, GTJAI has always taken risk control as the foundation of its operations and aims to preserve and increase the wealth of its clients. While maintaining high-quality services, the Company adheres to a client-demand-driven business model, continuously optimizes and improves its wealth management products and business systems. Going forward, the Company will continue to tailor financial service solutions for customers with different needs, and will persistently lead the innovation and development of the financial industry.
